

**“Creative & quality
focused signage
solutions,
delivered on time
to suit your budget”**

SIGNS THAT SET YOU APART

About Us.

Celebrating 25years in the signage industry servicing QLD & beyond!

With a team that boast 200+years signage experience, we can provide creative & quality signage solutions, delivered on time to suit your budget.

All parts of the signage design & manufacturing process are kept in-house to ensure your project is produced to the quality you should expect.

No matter what size project you have, we have the resources & know-how to make it happen.

SIGNS THAT SET YOU APART

SIGNS THAT SET YOU APART

Clients.

The reflection of our work speaks volumes to the clients that trust us to carry-out their signage requirements.

We treat each client brand as if it were our own!

SIGNS THAT SET YOU APART

Community.

We have partnered with the WISHLIST FOUNDATION

Alignment of Goals:

Both Sunquest Signs and the Wishlist Foundation share a commitment to improving lives and supporting community well-being. This partnership allows us to work together towards common goals, amplifying our collective impact.

Mutual Benefits:

The collaboration brings together Sunquest Signs' expertise in signage with the Wishlist Foundation's dedication to community service. This synergy enhances the effectiveness of both organisations' efforts.

SIGNS THAT SET YOU APART

Environment.

Committed to Sustainable Practices

Saving Paper

Cut approx 30% usage of paper and other office consumables by enforcing double-side printing, and printing with ink saving setting.

Recycling Supplies

We send 100% of our office waste to recycling or reuse that includes paper, computer supplies and redundant equipment.

Recycling packaging

100% converted all our signage packaging to cardboard recyclable boxes for all light signage.

LED office lighting

All our lightings are energy efficient LED lighting in offices and factory space to reduce the energy consumption of office equipment.

Recycling Inks

We 100% recycle all our digital printing inks and in house print cartridges.

Recycling off-cuts

We fully recycle all metal product, backing papers, packaging and plastics waste from signs.

Re-useing off-cuts

We reuse our signage raw material off-cuts where ever possible to in packaging for our signage, significantly minimising waste.
